About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

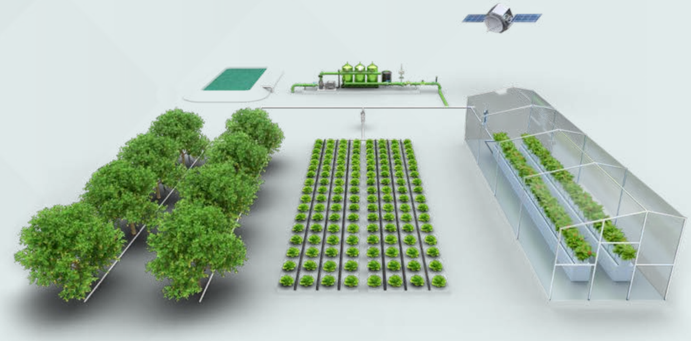

Agriculture & Water Solutions

We provide equipment and technical solutions supporting agricultural production, irrigation, water supply and water management.

Agricultural Machinery

Machinery and equipment supporting agricultural operations, land preparation and productivity.

Irrigation Systems

Irrigation solutions designed to improve water distribution and support efficient agricultural production.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Water Pumps

Pumping equipment for agricultural irrigation, water supply, drainage and other water management applications.

Piping Solutions

Piping systems and components for water distribution, irrigation and infrastructure applications.

Reservoirs & Water Storage

Water storage solutions designed to support agricultural, commercial and community water requirements.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services
