COMPANY PROFILE

Mozambique
Machinery
EVOLUÇAO ALÉM FRONTEIRAS

About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Construction & Infrastructure

We supply machinery, equipment and materials supporting construction, infrastructure development and civil engineering projects.

Excavators

Heavy-duty excavation equipment for earthmoving, site preparation, trenching and infrastructure projects.

Backhoe Loaders

Versatile equipment for excavation, loading, trenching and general construction activities.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Forklifts

Material-handling equipment for construction sites, warehouses and industrial facilities.

Concrete Pumps

Concrete pumping equipment supporting efficient placement of concrete in construction projects.

Concrete Vibrators

Equipment designed to improve concrete compaction and support quality construction work.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Compactors

Compaction equipment for roads, foundations, earthworks and construction sites.

Construction Equipment

A range of machinery and equipment supporting different construction and infrastructure requirements.

Construction Tools

Professional tools for construction, installation, maintenance and site operations.

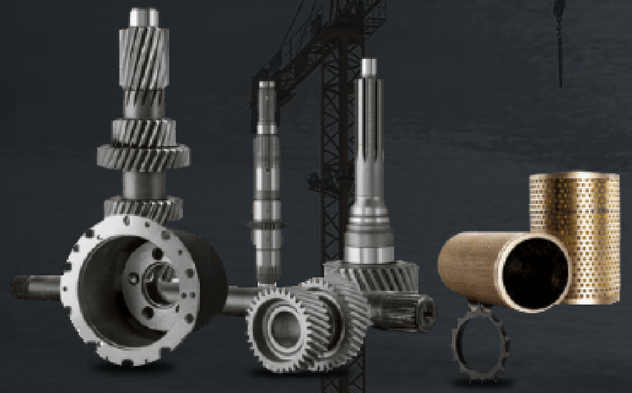

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Construction Materials

Supply of selected construction materials and project-related products according to client requirements.

Spare Parts & Maintenance

Equipment parts, maintenance products and technical support to help maintain machinery and project equipment.

Clients & Partners

We work with organizations across industrial, energy, mining, infrastructure, technology, transport, construction, agriculture and water-related sectors, supported by partnerships with trusted international manufacturers and suppliers.
