COMPANY PROFILE

Mozambiquemachinery

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

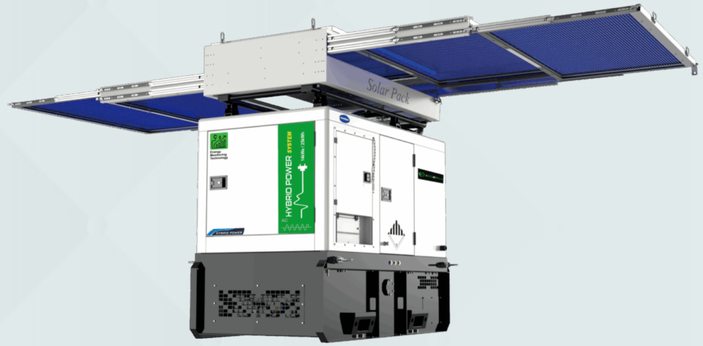

Energy & Utilities

We provide equipment and technical solutions supporting power generation, distribution, renewable energy and utility infrastructure.

Solar Energy

Solar power solutions designed for residential, commercial, industrial and institutional applications.

Hybrid Energy Systems

Integrated energy systems combining different power sources to improve reliability, efficiency and energy availability.

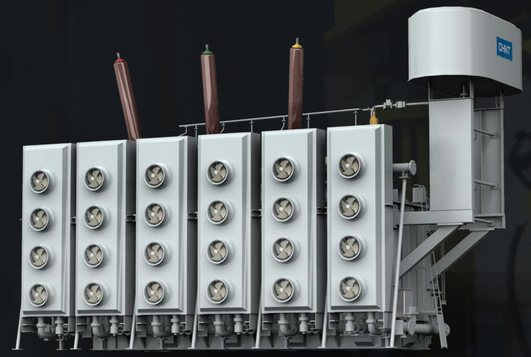

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

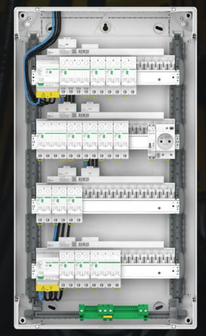

Generators

Power generation equipment for standby, prime and project-based power requirements

Transformers

Transformer solutions supporting electrical power distribution and industrial applications.

Electrical Panels

Electrical distribution and control panels designed for safe and efficient management of electrical systems.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Electrical Cables

Cabling solutions for power distribution, industrial installations and infrastructure projects.

Smart Metering

Smart measurement technologies supporting improved monitoring, data collection and energy management.

Electrical Protection

Protection systems and equipment designed to improve the safety and reliability of electrical infrastructure.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Industrial Automation

Automation solutions designed to improve process control, operational efficiency and system performance.

Technical & Project Support

We support clients from equipment selection and procurement through supply, coordination and technical assistance.

Clients & Partners

We work with organizations across industrial, energy, mining, infrastructure, technology, transport, construction, agriculture and water-related sectors, supported by partnerships with trusted international manufacturers and suppliers.
