Mozambique
Machinery
EVOLUÇAO ALÉM FRONTEIRAS

About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Industrial Solutions

We supply equipment and technical solutions designed for demanding industrial environments, supporting operations across mining, oil & gas, manufacturing, energy and other process industries.

Industrial Pumps

Pumping solutions for fluid transfer, process applications, fuel handling and other industrial requirements, selected according to operating conditions and application needs.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Valves & Flow Control

We supply a wide range of industrial valves, including ball, gate, globe, butterfly, control and safety valves for different applications and pressure requirements.

Instrumentation

Instrumentation solutions for monitoring and controlling industrial processes, including pressure, flow, temperature and level applications.

Sensors & Transmitters

Measurement and monitoring equipment designed to provide accurate process information for industrial control and operational efficiency.

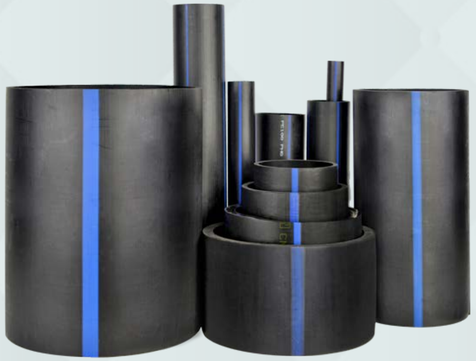

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

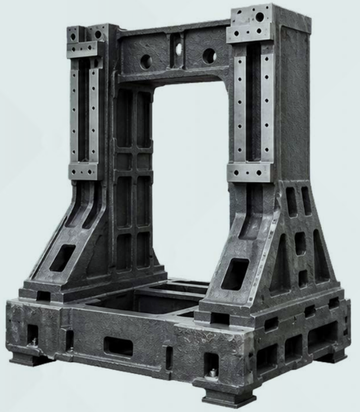

Meters

Industrial measurement solutions for monitoring process parameters, fluids and operational conditions.

HDPE Pipes & Piping Solutions

Piping solutions for industrial, water and infrastructure applications, including HDPE systems and related components.

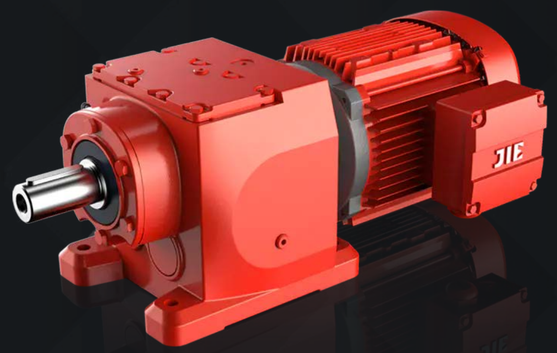

Mechanical Parts

Mechanical components and replacement parts for industrial equipment and operational maintenance requirements.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Motors & Gearboxes

Power transmission and mechanical drive solutions designed for industrial machinery and equipment.

PPE & Safety Equipment

Personal protective equipment and safety products designed to support safer working environments in demanding industrial operations.

Maintenance Equipment

Equipment and solutions supporting preventive, corrective and routine maintenance activities.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

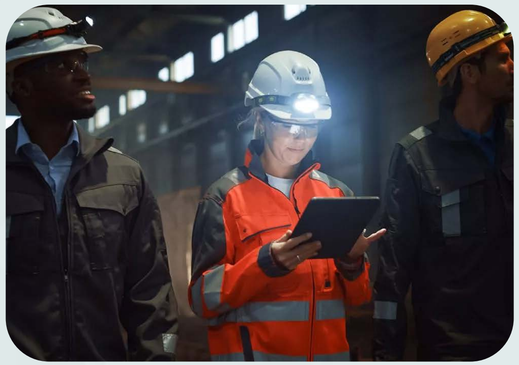

Industrial Tools

Professional tools and equipment for maintenance, installation, repair and industrial operations.

Oil & Gas Equipment

Specialized equipment for fuel handling, storage, sampling and transfer applications, including filters, pumps, grounding equipment, hose reels, ATEX-approved equipment and dry-break couplings. The current profile already contains several of these prod-

Engineering & Technical Support

We assist clients with product selection, application requirements, technical coordination, installation assistance and after-sales support.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Industries Served

- Mining
- Oil & Gas
- Oil & Gas
- Energy
- Water & Wastewater
- Food & Beverage

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Clients & Partners

We work with organizations across industrial, energy, mining, infrastructure, technology, transport, construction, agriculture and water-related sectors, supported by partnerships with trusted international manufacturers and suppliers.

Mozambique
Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Why Choose Mozambique Machinery?

- Strategic partnerships with trusted global manufacturers
- Competitive pricing and fast lead times
- Local technical expertise and dedicated support
- Customized solutions for complex industrial environments
