About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.
