About Us

Mozambique Machinery is a dynamic and fast-growing Mozambican company specialized in the supply of industrial valves and instrumentation solutions. With a strong commitment to quality, innovation, and customer satisfaction, we serve a wide range of sectors, including oil & gas, mining, water treatment, manufacturing, and energy.

Our Vision

To become a leading supplier of industrial valves and instrumentation equipment in Mozambique and Southern Africa, recognized for our technical expertise, reliability, and commitment to excellence.

Our Mission

To provide high-quality products and customized solutions that ensure the safety, efficiency, and performance of our clients' industrial operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Transport, Rail & Port Solutions

We provide equipment, components and technical solutions supporting railway operations, port activities, logistics and material handling.

Railway Wagons

Railway wagon solutions and components for freight transportation and railway operations.

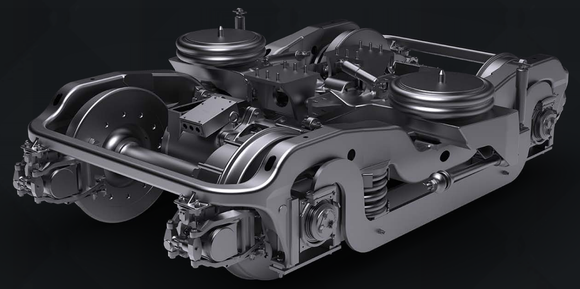

Locomotives

Equipment and components supporting locomotive operations, maintenance and fleet requirements.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

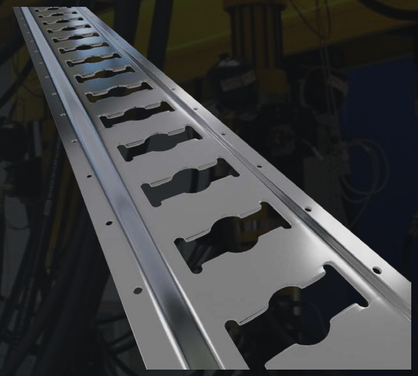

Wheelsets & Bogies

Wheelset and bogie solutions supporting railway rolling stock performance, safety and maintenance.

Braking Systems

Railway braking components and systems designed to support safe and reliable train operations.

Rails & Accessories

Railway infrastructure products including rails and associated components for railway construction, maintenance and rehabilitation.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Steel Ropes & Towing Cables

Heavy-duty steel ropes and towing cables for lifting, pulling, hauling and industrial applications.

Winches & Lifting Equipment

Winches and lifting solutions for industrial, railway, port and logistics operations.

Cranes & Port Equipment

Equipment for cargo handling, lifting and heavy-duty operations in ports, terminals and industrial facilities.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Material Handling Equipment

Forklifts, reach stackers and other equipment supporting the movement and handling of cargo and materials.

Conveyor Systems

Conveyor equipment and components for efficient transportation of bulk materials and cargo.

Railway Signalling

Signalling and related railway infrastructure solutions supporting safer and more efficient railway operations.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Our Core Services

Railway Maintenance Equipment

Specialized equipment and tools supporting inspection, maintenance and repair of railway infrastructure and rolling stock.

Spare Parts & Technical Support

Supply of spare parts and technical equipment combined with procurement and supply chain support.

Mozambique Machinery
EVOLUÇAO ALÉM FRONTEIRAS

Clients & Partners

We work with organizations across industrial, energy, mining, infrastructure, technology, transport, construction, agriculture and water-related sectors, supported by partnerships with trusted international manufacturers and suppliers.

Mozambique
